

North Carolina Line Card

“To make electric power transmission, fiber, and distribution systems safer, more reliable, and more efficient. By applying our technical knowledge, experience, and relationships, we strive to improve the working experience for our customers and principals.”

American Polywater Corporation

Pulling lubricants, cable cleaners, duct foam sealant, transformer leak repair, wood-pole repair, and mechanical seals.

AmpJack

Full solution provider for Energized Transmission Tower and Structure Raising.

BMK Corporation

Polecrete– pole setting foam. Pad mount stabilizer.

Bone Safety Signs

Roll-up safety signs and stands, aluminum composite (ACM) signs, cones, concrete sealers and repair products.

Buckingham Manufacturing Company, Inc.

Climbing and fall protection equipment and tools.

Cleveland/Price, Inc.

Substation switches and motor operators 7.2 to 500kV, transmission switches and automation controllers, and distribution motor operators. Transmission and distribution sensors.

Current – Lighting Solutions

LED area, flood, indoor and roadway lighting systems. Light pole and lighting controls.

Earth Contact Products (ECP Utility)

Transmission and distribution anchors, power installed, square bar, bust and no wrench anchors, light pole foundations, and concept measurement torque monitors.

Estex Manufacturing Company, Inc.

Canvas and vinyl bags for tools and equipment, aerial basket tool holders, bucket covers, rigid ‘hard body’ bags, face coverings, and safety vests.

Hastings Fiber Glass Products, Inc.

Hot line tools and equipment, grounds, tele-poles, and testing equipment.

Huskie Tools, Inc.

Hydraulic, battery, and manual compression cutting tools and compression dies.

Ijjin Electric

Large power transformers, MV and HV underground cable.

Incab

Incab

OPGW, ADSS, flat drop, fire rated, and other specialty fiber optic cables and control cables.

Jennings
anodes USA

Jennings Anodes

Magnesium, zinc, and aluminum cathodic protection anodes.

KRENZ

Krenz & Company, Inc.

Transformer cooling fans and accessories.

MEIDEN

Meiden America Switchgear

Dead tank 38kV, 72kV, and 145kV Vacuum circuit breakers.

MEYER
UTILITY STRUCTURES

Meyer Steel Structures

MEYER custom design & light duty transmission tubular steel poles, and round distribution poles. Pre-stressed static-cast and spun concrete structures. Lattice tower steel, tower poles, quick pier/helical foundations, and engineered substation structures.

POWER
DESIGN
INC.

Power Design, Inc.

Fiberglass primary sectionalizing cabinets, fuse and switching enclosures, substation control buildings, primary metering cabinets, and battery enclosures.

PH

Powerline Hardware

*Distribution hardware, hot line clamps, wedge clamps, automatic splices, HV steel pins, porcelain and silicone cutouts, ground rods, porcelain insulators, dead-end insulators, porcelain suspension insulators and spool insulators. *Minority Owned*

PLP

Preformed Line Products Company, Inc.

Transmission, distribution, and fiber optic products for support, protection, guying, and dead-ending. Drone inspection services and substation connectors.

PRIORITY
WIRE & CABLE, INC.

Priority Wire and Cable

Aluminum and copper wire and cable, AAAC, AAC, ACSR, steel guy wire, tri-plex, tracer wires, and ground rods.

SR

Sherman and Reilly, Inc.

Overhead stringing and underground cable pulling equipment for transmission and distribution line construction. Rope, slings, and rope tension meters.

WIW

Wilson Iron Works, Inc.

Custom metalwork, substation steel, and aluminum fabrications. Steel transmission and distribution crossarms, arrester cutout brackets, crossbraces, and hardware.

YOUNGSTOWN
GLOVE COMPANY

Youngstown Gloves

Performance work gloves, liners, and rubber glove protectors.
