

Southern Maryland Line Card

“To make electric power transmission, fiber, and distribution systems safer, more reliable, and more efficient. By applying our technical knowledge, experience, and relationships, we strive to improve the working experience for our customers and principals.”

[AmpJack](#)

Full solution provider for Energized Transmission Tower and Structure Raising

[BMK Corporation](#)

Polecrete– pole setting foam. Pad mount stabilizer

[Bone Safety Signs](#)

Roll –up safety signs & stands, aluminum composite (ACM) signs, cones, concrete sealers and repair products

[Cleveland/Price, Inc.](#)

Substation switches and motor operators 7.2 to 500kV, transmission switches and automation controllers, distribution motor operators. Transmission and distribution sensors

[Earth Contact Products \(ECP Utility\)](#)

Transmission & distribution anchors, power installed, square bar, bust and no wrench anchors, light pole foundations and concept measurement torque monitors

[Huskie Tools, Inc.](#)

Hydraulic, battery and manual compression cutting tools and compression dies

[Jennings Anodes](#)

Magnesium, zinc, and aluminum cathodic protection anodes

[Meiden America Switchgear](#)

Dead tank 38kV, 72kV, and 145kV Vacuum circuit breakers and spare parts

[Meyer Steel Structures](#)

MEYER custom design & light duty transmission tubular steel poles, and round distribution poles. Pre-stressed static-cast and spun concrete structures. Lattice tower steel, tower poles, quick pier/helical foundations and engineered substation structures

[Power Design, Inc.](#)

Fiberglass primary sectionalizing cabinets, fuse and switching enclosures, substation control buildings, primary metering cabinets and battery enclosures

Priority Wire and Cable

Supplier of aluminum and copper wire and cable, AAAC, AAC, ACSR, steel guywire, tri-plex, tracer wires and ground rods

Sherman and Reilly, Inc.

Overhead stringing and underground cable pulling equipment for transmission and distribution line construction. Rope, slings, and rope tension meters

Wilson Iron Works, Inc.

Custom metalwork, substation steel and aluminum fabrications. Steel transmission & distribution crossarms, arrester, cutout brackets, crossbraces and hardware.

Youngstown Gloves

Performance work gloves, liners, and rubber glove protectors
