

WV Line Card

"To make electric power transmission, fiber, and distribution systems safer, more reliable, and more efficient. By applying our technical knowledge, experience, and relationships, we strive to improve the working experience for our customers and principals."

BMK Corporation

Polecrete-pole setting foam. Pad mount stabilizer

Bone Safety Signs

Cleaveland/Price, Inc.

Roll –up safety signs & stands, aluminum composite (ACM) signs, cones, concrete sealers and repair products

Earth Contact Products (ECP Utility)

Transmission & distribution anchors, power installed, square bar, bust and no wrench anchors, light pole foundations and concept measurement torque monitors

Substation switches and motor operators 7.2 to 500kV, transmission switches and

automation controllers, distribution motor operators. Transmission and distribution

Huskie Tools, Inc.

Hydraulic, battery and manual compression cutting tools and compression dies

Incab

sensors

OPGW, ADSS, flat drop, fire rated, and other specialty fiber optic cables and control cables

Jennings Anodes

Magnesium, zinc, and aluminum cathodic protection anodes

Meyer Steel Structures

MEYER custom design & light duty transmission tubular steel poles, and round distribution poles. Pre-stressed static-cast and spun concrete structures. Lattice tower steel, tower poles, quick pier/helical foundations, and engineered substation structures

Power Design, Inc.

Fiberglass primary sectionalizing cabinets, fuse and switching enclosures, substation control buildings, primary metering cabinets, and battery enclosures

Powerline Hardware

Distribution hardware, hot line clamps, wedge clamps, automatic splices, HV steel pins, porcelain and silicone cut outs, ground rods, porcelain insulators, dead-end insulators, porcelain suspension insulators and spool insulators *Minority Owned

い口で

Sherman and Reilly, Inc.

Overhead stringing and underground cable pulling equipment for transmission and distribution line construction. Rope, slings, and rope tension meters

Wilson Iron Works, Inc.

Custom metalwork, substation steel and aluminum fabrications. Steel transmission & distribution crossarms, arrester, cutout brackets, crossbraces and hardware.

Youngstown Gloves

Performance work gloves, liners, and rubber glove protectors
